

ROOKYS DAYS

ROOKYS DAYS

18, 19, & 20 October 2011

Rookys Day aims to build resilience, self-esteem, leadership and assist in the transition to high school.

The day will explore the transition from primary school to high school, encouraging participants to express and overcome fears, build self confidence and personal leadership skills. Incorporating themes from popular children's media, combined with elements of the Heroes Journey, students will be engaged by participating in **high energy, interactive activities** and **group discussion**.

Rookys Day is ideal for students who need a little **motivation, guidance, positive direction** or **deserve a reward**. Facilitated by our inspirational young leaders, the day aspires to make a positive impact on grade 6 students embarking on a new (and at times daunting) phase of their lives.

Rookys workshops are unique, they're run by young people empowered to inspire other young people. Participants can relate to each other, enabling them to demonstrate an ability to act despite judgment amongst their peers.
