Heroes Day is back in Melbourne!

We invite year 9 students to participate in an excursion like no other. The days are high-impact workshops that encourage students to explore their world, challenge their perceptions and find meaning and purpose in their lives. A highlight on the Reach calendar, Heroes Days often book out quickly and are an opportunity your students shouldn't miss!

About Reach

Being young is not without its struggles. Today's world is pretty complex and young people can experience a bunch of challenges that adults might not be able to relate to. One of the biggest hurdles is just having the confidence and support to be who they want to be.

There are currently over 4 million young people living in Australia, and Reach works with over 40,000 of them a year. We have over 100 of them working for us; designing and delivering workshops in schools and the community. Our workshops are 100% youth-led, from design through to delivery, and the community we create out of these workshops is one that allows for deeper connection, a sense of belonging, and the dispelling of judgments. A preventative, instead of having to focus on symptoms in adult life.

Wellbeing Support Framework

Underpinning the design and delivery of all workshops is a framework of professional wellbeing support, to ensure emotional safety and positive youth connections. Reach's professional Wellbeing team connects with your school's wellbeing staff prior to workshops to understand the needs of individuals and the whole class/cohort, and to enable responsive follow up. The team will also assist staff to determine the appropriate follow-up for individual students if necessary.

Reach Wellbeing professionals will be present for the entire duration of the workshops to respond to any wellbeing needs of students, and will discuss any contact they have had with students with their relevant teacher at the end of the event.

Outcomes

Heroes Day aims to achieve the following outcomes for participating students:

- Reframe the way challenges are perceived and faced
- Build social and emotional skills
- Increase self-awareness
- Develop more meaningful connections with each other
- Develop increased motivation for making positive life choices

Content

Heroes Day are designed and delivered by a dynamic team of Reach crew, ensuring a relevant, challenging and captivating day for students.
